Charges laid against Watson Laker

A Watson Lake man is facing multiple charges, Watson Lake RCMP said Monday afternoon.

City poised to make major request for art

The City of Whitehorse is set to release its largest ever request for proposals (RFaP) for public artwork.

Council briefed on intricacies of climate change motions

There's more to assessing the impact of the city declaring a climate change emergency than meets the eye, city council was informed at its meeting Monday evening.

Have a great idea that could benefit your community?

SHOWING AT THE ARTS CENTRE - Leslie Leong is seen last Tuesday at the Yukon Arts Centre. Her show 'Ubiquitous - Technology and the Human Experience' is showing along with Lillian Loponen's 'Kalevala'. The shows run until Nov. 22. In October, Leong will give an artist's talk on the show. Leong is a visual artist focused on recycling and sustainability, living and working in Whitehorse.
